

The books are the classic **One, Two, Three and Away!** series by *Sheila McCullagh*, published by **The Reading Hut Ltd** and available to libraries through **Askews, Gardners**, and other major suppliers. Australian libraries can order through Gardners too!

Please ask your local library to stock a set so more children can enjoy them. Here they are on display in **Surrey, England**.

The 36 pre-readers are being used in a pilot with schools in January 2026 to identify the one in four children in England who currently do not learn to read, or read for joy. Please ask your local library to stock these 36 readers, as the Early Dyslexia Intervention Project can be accessed by parents for free, even if their schools are not involved in the pilot.
